PROFILE INFO

I'm a self-taught Fullstack Web Developer who loves solving problems and building practical web applications. I've completed several fullstack projects using React, Node.js, PostgreSQL, and deployed them on Vercel and Render.

With a strong passion for technology and learning, I'm focused on gaining real-world experience and contributing to meaningful software projects. I aim to grow as a developer and continue building scalable, user-friendly applications.

EXPERIENCE

PLOTTER MACHINE TECHNICIAN

2022 - 2023

- Maintained and repaired high-precision machines, improving reliability.
- Developed analytical and troubleshooting skills valuable in software debugging.
